

Review and Revision of BSACP Manual Vacuum Aspiration Course Materials

Call for Applications

The British Society of Abortion Care Providers (BSACP) invites applications from experienced individuals or teams for the comprehensive review of eight slide decks associated with our Manual Vacuum Aspiration (MVA) Training Course. This opportunity seeks professionals with expertise in medical research and education within the field of abortion care and Sexual and Reproductive Health (SRH).

Who we are

The British Society of Abortion Care Providers (BSACP) is a multi-professional organisation formed in 2015 to promote best practice, education, training and research in abortion care.

BSACP serves its 200+ members by providing a forum for professional development and networking, as well as by raising the profile of the specialty and improving understanding amongst those responsible for abortion-related policy, guidance, commissioning, regulation and training.

You can find our vision, mission and aims [on our website](#).

Scope of Work

- Review and analyse each of the eight slide decks provided by BSACP.
- Provide detailed feedback and recommendations for improvement, ensuring accuracy, clarity, and alignment with current best practices in MVA procedures and SRH.
- Collaborate with BSACP to refine pre-session materials and accompanying resources for each slide deck.
- Ensure that all content is up-to-date, evidence-based, and suitable for training purposes.
- Deliverables includes development of a modular curriculum that can be adapted to a range of training requests.
- Complete the review process within the specified timeline.
- Write and finalise the slides, associated course materials and curricula.

Requirements

- Demonstrable expertise in medical research, particularly within the field of abortion care and SRH.
- Demonstrable experience in education and developing educational material.
- Strong understanding of MVA procedures and related training requirements.

- Excellent written and verbal communication skills.
- Ability to work independently and collaboratively with the BSACP team.
- Submission of CV, cover letter, and a sample of relevant writing as part of the interview process.

Budget

The budget allocated for this project is £2,400. BSACP is open to individuals or teams of two or more collaborating on this project.

Submission Process

Interested parties should submit a detailed proposal and project plan, CV, and a relevant writing example to admin@bsacp.org.uk no later than Friday, 21 June 2024. Submissions will be evaluated based on experience, expertise, and proposed approach to the project.

Timeline

Deadline for submissions: Friday, 21 June 2024

Interview and selection process: Week of 24 June 2024

Project commencement: July 2024

Project conclusion (expected): September 2024

Contact Information

For inquiries and submissions, please contact us at admin@bsacp.org.uk

The BSACP looks forward to receiving proposals from qualified candidates or teams eager to contribute to the enhancement of our MVA Training Course materials. Thank you for your interest in advancing abortion care and SRH training standards.
